

DISCLAIMER: Supreme Cream Scanslations stopped scanning Gosa after the official, English version was made available on [Melodrama.com](https://www.melodrama.com). Because the English version is several chapters behind its Korean counterpart however, we're providing weekly translations to keep fans up to date until it catches up.

Please don't use our scripts to release untranslated chapters; we would have done so ourselves if we wanted to see that happen. We're sorry, but we'll have no choice but to stop releasing the translations if that happens.

SEASON 2

CHAPTER 11

SFX: Cough...

Ryong: Big Bro... Woobok?

Ryong: Why the hell are you here?

Mask: That...

Jim: Just sealed the fate of every hostage!

Jim: Since that's what you've chosen, you shouldn't have any regrets, right?

Ryong: What the hell... is this...?

Ryong: Are you all messing with me?

Jim: What do you think?

Jim: Do you think we're just messing with you?

Ryong: What?

SFX: Step...

Bubble: ...!

SFX: Stomp...

Ryong: At least explain to me...
Why you're doing this.

Jim: After all that's happened, you still need an explanation?

Jim: If we receive multiple commissions for a job, our rule is to prioritize the client who hired us first, and we've never broken that rule... until now.

Jim: But this time, a client made an offer that left us no choice but to break that rule...
...And let's leave it at that!

Ryong: ...

Ryong: The client...

Jim: I'm sorry.

Jim: But we never disclose any information about our clients.
Feel free to guess away.

Ryong: ...

Ryong: Then... Was it your clients who abducted those people, or was it...?
Jim: What difference does it make?

Ryong: ...Everyone's got the wrong idea about me.

Ryong: Until I fulfil the promise I made to my master, my life isn't my own.

Ryong: So I ~~cannot~~ and ~~will not~~ let my personal attachments interfere with that vow!
Which means that from the start, doing things like taking hostages to bring me to heel was never going to work.

Ryong: Order your men to stand down, and take me to your clients.
I'll forget everything you've done on condition that you don't get in my way ever again!

Jim: ...

Well... I can't agree to that, y'know?

Jim: Taking you to them is exactly what the job demands...
But there's a stipulation that you must be either 'incapacitated' or 'dead'!

Ryong: I'll only warn you once.
Don't anger me any further!

Jin: ...That's the problem with you, Gang Ryong

SFX: *riuu...*

Jin: That unbridled hubris that you can destroy the Baeknara Valley anytime you wish.
I gave you a pass the first few times, but when you keep it up, I can't help but feel something hot raging inside me.

Jin: If I, who harboured goodwill towards you, feel this way...
How do you think those with grudges against you feel?

Jin: I did everything I could to stop them.
So let's **do this!**

Jin: In any case, this won't end well now.
Since we've come this far, there's no need to hold back.

Woobok:
SFX: *Tch...*

Woobok:
Bubble: Ryong...
Tap...

SFX: *SLAM!*

Ryong:
Woobok: You've nothing to do with this, so stay out of it.
Ugh.

SFX: *Clutch...*

SFX: *Sohum...*

Ryong/
SFX: *Whe!*

SFX: *Thwick!*
Ryong: Ugh.

Ryong: Argh...

Ryong: ...?!

Woobok: Phew...

Ryong: Are you doing this 'cause your family was taken hostage?

Ryong: I don't want to fight you, Big Bro.
So please, stay out of this!

Woobok: There's no need to overcomplicate things.
Right now, I'm an 'enemy' who's after your life!

Woobok:
Ryong: If you continue to go easy on me, I might just end up devouring you.
SFX: *Click...*

Ryong: BIG BROS!

SFX: *Dash!*

SFX: *Grind...*

SFX: *Slash...*
SFX: *Whack...*

SFX: *THWACK!*

SFX: *Woosh...*

SFX: *POW!*

Bubble: Ugh.
SFX: *CRACK!*

SFX: *Flap...*

Dang: It's been a long time, Disciple of the Heavenly Destroyer!

Ryong:!

Ryong: ...

SFX: *GRAB!*

Ryong: Big Bro Woobok!

Woobok: Still callin' me Big Bro?
I told you, didn't I?

Woobok: Continue to go easy on me, and you'll end up being devoured!
SFX: *Click...*

SFX: *SSHUA!*

Ryong: Kau.

SFX: *AAARGH!*

SFX: *Kirrk...*
SFX: *Kirk.*

Jin: ...
Well, Gang Ryong. It's not so easy, is it?

Jim: Can you even break through them to reach me?

SFX: Hiss...

SFX: Whoosh...

SFX: Hiss...

SFX: WHAM!
